

The Center for Substance Abuse Prevention (CSAP) announces its 2010 Faith & Community Based Support Initiatives Award Recipients.

The purpose of the CSAP Faith & Community Based Support Initiative (FCBSI) is to provide up to \$50,000 in mini subcontracts to 31 faith- and community-based organizations that have existing HIV or substance abuse prevention programs that could benefit by incorporating collaboration with existing crime prevention and prisoner re-entry efforts. These funds will also enhance an organization's capacity to be more efficient and effective in social service delivery. **All award recipients must successfully address conditions of awards.** The following agencies were selected for 2010:
